Proposed Crookwell 3 Wind Farm Household Door-Knocks

As part of the Crookwell Development Pty Ltd consultation strategy program for the proposed Crookwell 3 Wind Farm, the Crookwell Development representatives will be conducting door-knocks in the area on 28th, 29th and 30th of April 2010.

The purpose of the door knock is for Crookwell Development to answer questions and gather information from the nearby residents of the proposed site area so as to inform the wind farm design prior to lodging the application with the Government over the coming months.
