Subject: Glenellen Solar Farm - Biodiversity Management Plan

Dear Mr. Osasona

I refer to your request for approval of the Biodiversity Management Plan (Final V5, dated 19 August 2024). I also acknowledge your response to the Department's review comments and request for additional information including the Biodiversity and Conservation Group's feedback.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in consent SSD-9550.

Accordingly, as nominee of the Planning Secretary, I approve the Biodiversity Management Plan (Final V5, dated 19 August 2024).

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Keren Halliday on 02 8289 6444.

Yours sincerely
