Subject: Environmental Management Strategy

Dear Mr. Osasona

I refer to the Environmental Management Strategy submitted to the Department of Planning, Housing and Infrastructure (the Department) as required under the conditions of consent for the Glenellen Solar Farm (SSD-9550). I note the Environmental Management Strategy contains the information required by the Development Consent (noting the below).

As nominee of the Planning Secretary, I conditionally approve the Environmental Management Strategy (Rev 6) dated 24 August 2024 under Condition C1 of Schedule 2, noting that the Environmental Management Strategy must be updated:

- noting Modification 1 is now approved;
- prior to carrying out any upgrading or decommissioning on site to detail the extent and scope of the pre and post upgrading or decommissioning phase dilapidation surveys; and
- as required in accordance with the Development Consent.

Please ensure you make the document and this approval letter publicly available on the project website at the earliest convenience.

You are reminded that if there are any inconsistencies between the strategy and the conditions of approval, the conditions prevail.

If you have any questions, please contact Keren Halliday, who can be contacted on 02 8289 6444.

Yours sincerely

Iwan Davies
