Subject: Traffic Management Plan

Dear Mr. Osasona

I refer to the Traffic Management Plan submitted to the Department of Planning, Housing and Infrastructure (the Department) as required under the conditions of consent for the Glenellen Solar Farm (SSD-9550). I note the Traffic Management Plan contains the information required by the Development Consent (noting the below).

As nominee of the Planning Secretary, I conditionally approve the Traffic Management Plan (Rev 8) dated 13 August 2024 under Condition B9 of Schedule 2, noting that the Traffic Management Plan must be updated:

- following consultation with Transport for NSW and Greater Hume Shire Council regarding the use of heavy vehicles requiring an escort and prior to the use of heavy vehicles requiring an escort;
- prior to carrying out any upgrading or decommissioning on site to detail the extent and scope of the pre and post upgrading or decommissioning phase dilapidation surveys; and
- as required in accordance with the Development Consent.

Please ensure you make the document and this approval letter publicly available on the project website at the earliest convenience.

If you have any questions, please contact Keren Halliday, who can be contacted on 02 8289 6444.

Yours sincerely

Iwan Davies
